Chapter Four of Pirkei Avos

Motsi Shabbos Lag B'Omer

Have a wonderful Shabbos Kodesh

All blessings of both the Heavenly realms and the lower realms depend upon Shabbos. It has been taught: Why was no Manna to be found on the Seventh day? Because from that day are blessed all the other supernal six days; and each day imparts food to the world below from what it has been blessed with on the Seventh day. On account of this, one who is on the level of faith is required to set his table on the night of the Sabbath so that his table be blessed the other six days. For a blessing does not descend on an empty table. Therefore one should set his table on the evening of the Sabbath.
